Summary of Recent Football Games

We have reported on our football games in former issues of the Messenger right up to Homecoming Day, and you would just have to have an eye-witness account of that game with gestures to get the full picture. Lexington and Barium games have always been interesting. This year was no exception. It started out with Lexington looking like much the superior team. They drove Barium down and finally scored, mainly by main strength; a Barium fumble had something to do with it, but the team was certainly one touchdown better than Barium all during the first half. The second half was something else. Jack Clark, playing his first game at tailback, really went to town in that half and his passing and running was not to be denied. It only yielded one touchdown but it might just as well have yielded three because we missed those other two by such a small margin that the Lexington people are still shivering about it. The final score was Barium 6 - Lexington 6.

The following week our Varsity journeyed to Davidson, and the Davidson Freshmen bumped us off 18-0. This is the third year we have played Davidson, and their first victory. This victory was a convincing one, although all the scoring was done in the first half. In the second half the two teams played on even terms with Clark again being the boy Davidson had to stop.

On Nov. 1st, the Children's Home came to Barium and this was just one of those years we don't like to think about too much. Children's Home was so much stronger than Barium that it was not much of a contest. They beat Barium 48-12 and they used their second-string boys in a good part of the game. Barium's scores were from passes Clark to Young - the two touchdowns being very much alike.

The lightweight teams have had a full schledule. On October 17th our eighth grade team played a second game with Conover, defeating them 21-0. This was a very

The Barium Messenger Has Its 22nd Birthday

The Barium Messenger Speaking ---- Take a look at me. I am twenty-two years old today. All dressed up with a face wash and no five o'clock shadow, and raring to go. I am reprinting the editorial that announced my exestence to the quivering public twenty-two years ago. I have tried to live up

THE BARIUM MESSENGER

As soon as we found that our printing shop was assured and that the orphanage was again to have a paper, the question of a name had to be decided. In order to get the very best name for the infant sheet, a prize was offered to the person suggesting the most acceptable title.

Of the great number suggested, the name BARIUM MESSENGER, was selected and Mary Lee Earnheart was the fortunate winner of the prize for suggesting this name.

Now, just a word about this name and what we hope this paper to be.

First of all, we want this Messenger to be welcome. It will contain just commonplace news that may not always be interesting to people who do not know us. Then if you see a news item that Billy Harrell bumped his nose and scraped off six freckles, you will know that this is only a minor injury if the freckle count was correct. The Messenger will contain some editorials, and while we will not attempt to settle the affairs of the League of Nations, the Pan-American Alliances, or even the General Assembly of the Presbyterian Church in the U. S., nor answer all the criticisms of the tariff and the income tax. Still we may at times raise our voice in praise or condemnation of some of the present day practices that effect our immediate family.

The Messenger will contain a list of receipts both in money and in kind, and if in any issue the space reserved for this department is not filled up the space unused will be used in talking about it.

The departments will all be heard from, not just for the purpose of making appeals but that our friends everywhere will know what is being done.

Every cottage will have a news editor and the news of that cottage written out by that boy or girl, as the case may be, and published "as is". Then, too we want a real live alumni news column. Any person who has at any time been in the Home may have items about themselves in this column and we hope many will send news in themselves.

Then lest our reading matter become too heavy especially in the days we seem to be forgotten, we will have a joke column, that will publish both new and secondhand wheezes.

Finally, we hope our Messenger will always be a cheerful one. We hope to only have good news to tell you.

When you see it in the mail we want you to have a feeling of pleasure that you are to read of the daily life of this large family of yours, and its achievments, its hopes, and sometimes of it's disappointments, and may it never be the messenger of evil tidings that tell of wasted opportunities or curtailed usefulness from lack of support.

to those aspirations in that editorial. I have made mistakes and I haven't always been as cheerful as I might have been. For a time I did not dress up as I should have done to be a guest in your home: in fact, I got to coming in dressed in overalls. I had honed it would only be for a short period of time. The paper that I was printed on was not very good - it did not hold its color very well - and it didn't show up the pictures which I want-

The Message of the Pulpit

When the Days Talk Together

Psalm 19:2. Day unto day uttereth speach.

I. Yesterday speaks of:

Experience

"O there are voices of the past,
Links of a broken chain,
Wings that will bear me back to
Times which cannot come again;
Yet God forbid that I should lose
The echoes that remain."

The Value of Time

For time is no time when time is past."

All Things Pass

Who upon his signet ring
Graved a maxim true and wise
Which if held before the eyes
Gave him councel at a glance
Fit for every change and chance.
Solemn words and these are they;
Even this shall pass away."

Feast Days At Barium

You know the business of eating gets to be a pretty common place affair. You can fill a youngster up and in just a few hours he is empty and ravenous again - the old stand-bys of grits and gravy, beans and corn bread, cereal and milk, are all for foundations, but they have to be topped off occasionally with something else. The alfalfa fields have done so well the last few years that they have provided the wherewithal for an occasional ice cream treat, which is a treat indeed in these days of scarce sugar. And then there is the meat question - pork is awfully good but after awhile we get tired of pork; beef is mighty good but it is possible to even get tired of that; so we really rejoice when something happens to give us a brand new meat meal. We had had several Sunday dinners of lamb and chicken and were just about to settle down to our winter diet of sausage and such, when along came a gift of venison - believe it or not! Mr. Ray Morrow and Mr. Cameron

Lacy Adcock Reported Killed.—Gastone Alessandrini Is Missing

Lacy joined the Marines shortly after he graduated. He was at Schofield Barracks, Pearl Harbor at the time of the attack. He has written about once a year and we have kept up with him in that way. He did not write this year, and we have made inquiry as to his whereabouts and have heard indirectly that his mother received a notice that he had been killed. We have been unable to verify this. His mother lives in Washington and we do not have her address. We hope to contact her and to report that this rumor is incorrect.

The service letter which we mail to all of the boys in the service are returned to us when the address is wrong or when the men change posts without notifying us. The letters going to Gastone Alessandrini have been returned marked "Missing". We have been unable to get any further news. Gastone was a member of a bombing crew operating in the Pacific. Being reported 'missing' in that area does not always mean 'dead'. Many members of the crews have been rescued and lived for quite a time on an island before being discovered; we are hoping this is what happened with Gastone.

All of these reports have come to us since the end of the war - since V-J Day - and it has made our list of casualties just as great for these few months as it was during the hardest fighting of the war. This makes a total of fifteen boys dead or missing.

Three Barium Boys Were In Death March

Three years ago when we were listening to the news broadcast of the gradual destruction of our Army in the Philippines we were much concerned over the fate of three Barium boys; J. D. Beshears, Robert Wilkes, and Ben Morrow. These three boys were captured either on Bataan or Correigdor and it was not until the end of the war that we heard the details of what happened to them.

Ben Morrow died in a prison camp in May, 1942. J. D. Beshears and Robert Wilkes were released at the end of the war, but Robert died in California on the way home. He had evidently been terrbly abused and was too weakened by his experiences to survive. J. D. Beshears, apparently in good shape, has landed in the United States and we hope will soon be around Barium to pay us a visit. We do not know of any of the particulars of the experiences of these three young men, but we hope to give it to you in a later issue.

Fall Meeting of the Board of Regents

The Board of Regents of the Orphanage met on Tuesday, Nov. 6th, the latest Fall meeting in twenty years. Usually this meeting occurs during the last of Sept. or early in Oct., but since the Snyod met so late this year this had something to do with the postponement of the Regents meeting.

There were ten members present, including two brand new members, Mrs. R. A. Young of Central Steele Creek, Charlotte, and Mr. Thomson of Kings Mountain. There was one other new member who did not get here. Mr. R. W. Bruin from Henderson, North Carolina.

One of the main pieces of business of the Board was to pass on some insurance matters which means a re-vamping of the values on all of our insured property.

The meeting was saddened by the news of the death of Mr. Sam A. Robinson of Gastonia. Mrs. Robinson was a member of the Board of Regents for a number of years; in fact every member if the Board knew Mr. Robinson intimately, and to know him at all was to count him as a friend. We were all saddened by his sud-

SEWING ROOM

We couldn't let another month slip by without letting you know how we are getting along in the sewing department.

We have been real busy making dresses for the smaller girls. We are almost through now, so if you have time, come up and see them.

One of our sewing machines has been silenced as one of our members, Mary F. Isenhour, Is in the hospital for an appendicitis opcration. We miss you Mary Frances, so hurry home.

Now far some gossip: Lee Vinson has been getting mail from New York. Was it a "Bill"?

Blanche Fiemster was down by the railroad track laying her pecans on the track and waiting for the "June Bug" to come by and crack them. Lazy Ting!

Helen Hawley was walking on clouds last week-end when the fleet came in. When you see Helen look on her left hand, third finger.

Maggie Katen said "hay" and that she is "sleepy".

We have started basket-ball practice and we have the prospects for a good team.

We are giving a party for our boys Sat. night. Wish you all could come.

Until next time.

Bye, Bye.
Sewing Room Girls.

SYNOD'S COTTAGE

We have really been having a swell time playing football! Every afternoon when we get home from school, we choose up and play until we are so tired we can't stand up. It is usually supper time by then.

Neill Shaw and Donald Dean have recited the "Child's Catechism" and we are real proud of them. Some more of us have been studying it, but haven't quite learned it all.

We all got to go over to the pecan orchard and pick up a big bucket of pecans. So we have some pecans to eat every day after school.

Our big girls have a good reason to be happy now - Jerry McArthur has finally learned which feet his shoes fit into - We hope by the next time we write, he will know how to lace them up.

Neill Shaw, Jerry Ellis, and Charles Andrews got show tickets for good work in school.

Bobby Ray Bailey had a birthday November 9. His daddy brought him a big birthday cake with candles on it. We all had a peice of it and boy was it good! Thank you, Mr. Bailey.

We all had our teeth fixed and we are going to keep them as clean as we can. We want to thank Dr. Martin for doing such a fine job.

Now, that the gas rationing is over, come to see us sometime.

So Long,
The Synod Boys.

ANNIE LOUISE

Here we are again bringing you the latest news from Annie Louise.

The pretty leaves, which we said so much about last month are falling now and we have been having fun gathering them up and putting them in bags. We are working and playing and getting payed for doing it. We plan to get some candy and fruit and have a party with the money we make.

Four of our little girls are going to Charlotte today to sing some songs for our good friends there. They have been talking about it the last week so we are glad for them that today has finally arrived.

Lois Dellinger and Linda Inman have recited the Child's Catechism. We are planning to have at least ten little girls recite it before Christmas.

We have an assistant matron living here in our cottage with us, Mrs. Crawley. We certainly enjoy having her here and boy, can she play the piano.

So long until next month.

—The Annie Louise Girls.

HOWARD COTTAGE

Here we are back again with you, bringing you the news. Our cottage is already fixed and we really like it.

The dentist came down to see our teeth and we had some of our teeth pulled.

The basketball court is cleaned up and the big girls have started practicing.

We got some new games but we are not going to play with them until we get our sitting room fixed up.

Lethia Walker recited the child's catechism and we hope some more will.

We got some new books and pictures and we think they will look swell on our walls. Mrs. Hal Johnston sent them to us from Mooresville.

I guess this will be all for this time.

The Howard Girls.

INFIRMARY

Here is a little news we are sure you all will be interested in.

Mr. Johnston has a grandson, David Walter Morris. His mother is. Mrs. Annie Faysoux Johnston Morris.

Some of Mrs. McNatt's relatives spent an enjoyable weekend with us. We hope it will be possible for them to come again sometime, because we all like to have a visit from friends.

We expect to get our report cards again next week. Here's hoping our grades have emproved since last month.

Paul Reid, who has just been discharged from the Air Corps, is back on the campus. We are glad to see that familiar face again. (One of our girls keeps smiling.) We will be glad when all of our boys can return to the campus.

We have little Jimmy Harris with us now. It is a joy to have the little fellow around. Lee Vinson is nursing a hurt foot. Mary Frances Isenhour has made a wonderful recovery from an appendictomy. She will be in the class room Monday.

PATTERSON DOES IT AGAIN

The Patterson Church in Concord Presbytery is few in number but for many years it's Thanksgiving contribution to the Home has been outstanding - Already this year this church of eighteen members has sent in a Thanksgiving Offering from the Church and Sunday School of $91.00. This is written one week before Thanksgiving day.

BE THANKFUL

For sunlit hours and visions clear,
For all remembered faces dear,
For comrades of a single day,
Who sent us stronger on our way,
For friends who shared the year's long road,
And bore with us the common load,
For hours that levied heavy tolls,
But brought us nearer to our goals,
For insights won through toil and tears,
We thank the Keeper of our years.

—Clyde McGee.

THE PRESIDENT'S PROCLAMATION

"In this year of our victory, absolute and final, over German Fascism and Japanese militarism; in this time of peace so long awaited, which we are determined with all the United Nations to make permanent; on this day of our abundence, strength, and achievement; let us give thanks to Almighty Providence for these exceeding blessings.

"We have won them with the courage and the blood of our soldiers, sailors, and airmen. We have won them by the sweet and ingenuity of our workers, farmers, engineers, and industrialists. We have won them with the devotion of our women and children. We have bought them with the treasure of our rich land. But above all we have won them because we cherish freedom beyond riches and even more than life itself.

"We give thanks with the humility of free men, each knowing it was the might of no army but of all together by which we were saved. Liberty knows no race, creed, or class in our country or in the world. In unity we found our first weapon, for without it, both and abroad we were doomed. None have known this better than our very gallant dead, none better than their comrade, Franklin Delano Roosevelt. Our Thanksgiving has the humility of our deep mourning for them, our vast gratitude for them.

"Triump over the enemy has not dispellel every difficulty. Many vital and far-reaching decisions await us as we strive for a just and enduring peace. We will not fail if we preserve, in our land and throughout the world, that same devotion to the essential freedoms and rights of mankind which sustained us throughout the war and brought us final victory.

"Now, therefore, I, Harry S. Truman, President of the United States of America, in consonance with the joint resolution of Congress approved December 26, 1941, do hereby proclaim Thursday, November 22, 1945, as a day of national Thanksgiving. May we on that, in our homes and in our places of worship, individually and as groups, express our humble thanks to Almighty God for the abundance of our blessings and may we on that occasion rededicate ourselves to those high principles of citizenship for which so many splendid Americans have recently given all.

"In witness whereof, I have hereunto set my hand and caused the seal of the United States of America to be affixed.

"Done at the City of Washington this twelfth day of November, in the year of our Lord one thousend nine hundred forty five and of the independence of the United States of America the one hundred and seventieth."

HARRY S. TRUMAN.

Feast Days At Barium

(Continued From Page One)

Morrison are responsible for it. The deer have prospered and multiplied on the Morrison farm to such an extent that they gave us enough deer to make a whopping big meal, and while that happened several days ago the kids are still smaking their lips over it. We feel like sending Mr. Morrison and Mr. Morrow a rousing vote of thanks and also many happy returns. If all the deer we could eat would taste as good as that of last Sunday it would take us a long time to get tired of it.

Of course our kitchen folks had a lot to do with making it turn out so well. Now Thanksgiving is right around the corner and we will be having a big meal again. For the last twenty years this meal has been largely furnished, as far as the meat is concerned, from Steele Creek Church

They tell us that after they gather up the chickens to send to us every year that the chickens in that neighborhood are as wild as partridges for weeks afterwards. And then cakes come into us from Laurinburg, Hickory, Durham, to mention just a few of the places that sent these delectable additions to our diet

Don't be afraid of overdoing it as we have very few fat folks at Barium, but what lovely appetites we do have along about this time of year.

One of the things that is making it hard on us this year is the fact that turkeys are being raised for the market right near us - over at the fair grounds - and in the still of the morning when we are getting ready for breakfast we hear those thousands of gobblers yelling for their breakfast - it is tempting and tantalizing.

terdays."

Memory

Memory gives escape from an unhappy present.
"Backward, flow backward O full tide of years!
I am so weary of toil and of tears,
Toil without recompense - tears all in vain,
Take them and give me my childhood again.
I have grown weary of dust and decay,
Weary of flinging my heart's wealth away,
Weary of sowing for others to reap;
Rock me to sleep mother, rock me to sleep."

Right Prespective

"O time beautifier of the dead,
Adorner of the ruin, comforter
And only healer when the heart hath bled-
Time! the corrector where our judgements err,
The test of truth, love, sole philosopher.
From all besides are sophists, from thy thrift
Which never loses, though it doth defer -
Time the Avenger! unto thee I lift
My hands, and eyes, and heart, and crave of thee a gift."

II. Today speaks of:

Fresh Opportunity

"Today is ours; what do we fear?
Today is ours; we have it here.
Let's treat it kindly, that it may
Wish at least for us to stay.
Today will ensure tomorrow.
"Happy the man, and happy he alone,
He, who can call today his own:
He who, secure within can say,
Tomorrow do thy worst, for I have lived today."

Work For The Night Is Coming

"Rise for the night is passing,
And you lie dreaming on;
The others have buckled their armour,
And forth to fight have gone:
A place in the ranks awaits you,
Each man has some part to play,
The past and the future are noth-
Serene and lovely Tomorrow ing
In the face of the stern today."

III. Tomorrow speaks of:

Hope

"A shining isle in a stormy sea,
We seek it ever with smiles and sighs
Today is sad - in the land to-be, lies.

Resolutions For Better Living In The Spirit of;

"One who never turned his back but marched breast forward
Never doubted clouds would break
Never dreamed though right were worsted, wrong would triumph
Held we fall to risk, are baffled to fight better, sleep to wake."

Being Confident of Our Future In God's Hands

"God's tomorrow, God's tomorrow.
Every cloud will pass away
At the dawning of the day;
God's tomorrow, no more sorrow,
For I know that God's tomorrow
Will be better than today."

The Alumni Association, represented by approximately fifty members met in the Rumple Hall living room, October 19, just after dinner. President Edward Flowers called the meeting to order and those present introduced themselves stating the year of graduation or departure. Years represented ranged from 1899 to 1945. The '30 - '39's, and of course, the '40's had quite a jolly reunion, but we of the '20's and before were entirely too few.

New officers were elected as follows: president, Irene McDade; vice-president, Maude Inman; secretary-treasurer, Walter Beattie; treasurer of Memorial Fund, Reid Brown.

After some discussion as to the form our Memorial should take, and the amount needed to finance it and the manner of obtaining that amount, it was voted that a letter be sent out soon containing suggestions from Mr. Johnston, and asking that each member make a contribution within the next twelve months. It is hoped that we shall have a considerable sum in hand and be ready to decide the matter by vote at our next annual meeting. It was voted also that alumni dues be raised to $1.00 per year and that all who have not paid this year be urged to do so. This money is needed for the expense of mailing correspondence to the members.

The annual Thanksgiving offering taken at the meeting amounted to $103.10.

We noted the following at the game and during the day: Bernice Stone Thompson, Joy Stone Sommers, Nellie Johnson Summers, John Ammons, Wilma Campbell, Wilma Jessup, Rachel Kyles, Hattie Michael Painter, Annie Bell William Dawson, Tom Clark, Doris Gant, Capt. We were saddened over the death of Robert Wilkes. He had been a POW in Japan for the past 40 months and landed in Oakland, California when he passed away in a Naval Hospital. His body was brought to Charlotte for service and then buried in Spring Hill Cemetry in Scotland County.

Our hearts were made glad when J. D. Beshears made us a visit this week. J. D. was a POW for 40 months, making the death march from Bataan. He had four battle stars and the Presidental citation with 2 oak leaf clusters. He landed at Seattle and Howard met him there. ed to show you from time to time. I did this because money was so scarce back during the depression, you remember? And then I got into the habit of coming into your homes in these overalls and the first thing you know the war came along and just froze me in those clothes and all during the war I had to continue that way.

Now, as one of the happenings since the war is over the folks in the big office have gotten some better paper to print me on and this is the first issue, and I feel like celebrating. In fact, you can stick me in your pocket now and take me out at your club, or in your dressed-up part of the house and not be ashamed of me. I am going to stay dressed up if I can, and I am going to decorate too. I hope there will be at least one nice-looking picture of some of your children on this front page every month. It used to be that way, and I hope you like it. Just three more years and I will be a quarter of a century old: I don't feel that old, and if they will just put enough pictures of young people in me every time I won't seem old to you. Miss Andrews has a complete file of all 264 copies of me, and there are lots of interesting things in those files. There are going to be interesting things in the issues from now on. I just dare you to read everything in me.

Summary of Recent

(Continued From Page One)

good game. Conover is a grammar grade school and Barium selected players from the same grade as those on the Conover team.

On October 20th all the boys in Concord, it seemed, came over to Barium. There was an 85-pound game which Concord won 13-12. There was a 100-pound game which Barium won 7-0. There was a B-team game which Barium won 13-0. On October 28th, the 100-pound team played Morganton at Morganton winning 26-0. The 125-pound team defeated Morganton 13-0. On the 29th the B-team played Statesville at Barium and the score was Barium 13 - Statesville 6. On Saturday, November 3rd, our Midget teams journeyed to Winston-Salem where the Children's Home 85-pound team defeated Barium 21-0. The 100-pound team game resulted in a tie 6-6. On the night of November 6th, our B-team played the Landis Varsity and the game ended 6-6. Landis scored early in the game and it was in the final quarter that Barium scored.

The Varsity has four game yet to play - the Midgets about an equal number. They will make good reading in the December issue.

Speaking of football, here's an item. A number of years ago the folks at Barium set us up to a trip to the Sugar Bowl and got us into the habit of going. They did not need to do anything but start us on our way. Well, for the last few years all the Bowl games have been out as far as we are concerned, but one of our boys is a cadet at West Point right now and he wrote us several days ago that he thought we needed a rest after the strenuous Thanksgiving doings and that if we could use those three tickets he would send them to us. - So if anybody is looking for the editor of this sheet on the afternoon of December 1st, he can probably be found somewhere in the Army section of the Stadium at Philadelphia watching the Army-Navy game.
